This agreement, when signed by the applicant and by an authorized representative of the town, shall become a contract under which the town agrees to furnish utility services to the individual customer and the customer agrees to receive and pay for the services in accordance with the rate ordinance and the service regulations established by the town, which are incorporated as part of this agreement as if fully set forth herein and which may be modified from time to time. By agreeing to have service provided, the applicant represents that he or she has the authority to request utility service at the location, and attests that the information given is true and accurate. Customers with outstanding bills will not be provided service at other locations until all outstanding bills are paid.

This agreement may be terminated by either party, one working day notice to the other. It is further agreed that the town reserves the right to discontinue service if the customer fails to make timely payments, breaches the service agreement, or provides inaccurate information in its application. If the service is disconnected for cause, the customer agrees to pay all outstanding bills. Customers with outstanding bills will not be provided service at other locations until all outstanding bills are paid.

By signing this application for utility service, the applicant agrees to pay all costs of collection of the applicant's unpaid bills. The Town of Clover has the right pursuant to the South Carolina Setoff Debt Collection Act to collect any sum due and owed by the applicant through offset of the applicant's state income tax refund. If the Town of Clover chooses to pursue debts owed by the applicant through the Setoff Debt Collection Act, the applicant agrees to pay all fees and costs incurred through the setoff process, including fees charged by the Department of Revenue, the South Carolina Association of Counties, the Municipal Association of South Carolina, and/or the Town of Clover. If the Town of Clover chooses to pursue debts in a manner other than setoff, the applicant agrees to pay the costs and fees associated with the selected manner as well.
