COMMUNITY EDUCATION SERIES

On Tuesday, March 20, the Clover Police Department will be offering a Keep Safe class that will provide useful tips to help you protect yourself, your home and office, and your personal information. This comprehensive session will cover basic safety steps that you

can take to prevent thefts and other crimes. Start time is 6:00 PM at the Clover Community Center, 120 Bethel Street. This event is free. Call 222-9495 for more information.

DOG REGISTRATION

Dog registration is underway. Owners must provide proof of current vaccination. The Town will host a Rabies Clinic on April 28th behind Town Hall from 9AM – 12 noon. Please contact Town Hall at 222-9495 for more information. All dogs are required to be registered for the 2012 calendar year by April 30th.

March 12, 2012
April 9, 2012

For more information, please contact Shannon Nix at 222-9495.

NEED HELP WITH PROPERTY IMPROVEMENT?

From time to time, the Town is contacted by church and civic groups interested in assisting elderly and disabled residents with minor home improvement projects, such as painting and landscaping. In an effort to connect these groups with residents in need of help, the Town will collect contact information and a description of the work needed and will then provide this information to legitimate church and civic groups seeking to do the work. If you are in need of property maintenance assistance or if your church or civic organization would like to participate, please contact Shannon Nix at 803-222-9495 or snix@cloversc.org.

CEMETERY CLEANUP

Woodside Cemetery and Clover Community Cemetery will be cleaned the last week of March. Please remove all items that you would like to keep by Friday, March 23. You can put the items back out on March 31.

LEAF PICKUP

From April 1st through September 30th all leaves will need to be placed in bags and put on the side of the curb for pickup. If you have any questions please call 222-7700.

BETHEL STREET RESURFACING PROJECT UPDATE

The SCDOT continues to excavate the rock between Bethel Street and Elizabeth Avenue to create space for a stormwater drain that is necessary to install before they can resurface Bethel Street. Staff estimates it will take another 2 weeks to complete the drain up to Bethel Street. The stormwater pipe will have to cross Bethel which will mean rock excavation in the roadway for an undetermined amount of time. This will mean lane closures, delayed travel times and further deterioration of the road. Travelers are encouraged to use alternate routes like Marion Street or Clinton Avenue to Knox Street. Once the stormwater pipes are installed across Bethel Street, the SCDOT will begin resurfacing.

YORK COUNTY GREAT AMERICAN CLEANUP

York County and the Town of Clover will be participating in the Great American Clean Up during the month of March. Many activities are planned, including:

- Household Hazardous Material Collection Event – Saturday, March 3rd, 8:00AM – 12 NOON, 220 Public Works Road, York.
- If you or your business, church, school or civic group, or neighborhood would like to organize a litter collection day, call Town Hall at 222-9495 to reserve trash bags and gloves.

We hope you will take advantage of these opportunities to help our community.
