§ 90.05 NUISANCES PROHIBITED AND UNLAWFUL.

§ 90.06 PUBLIC ABATEMENT; NOTICE; SERVICE.

(A) If a person fails or refuses to discharge the duty imposed by § 90.05, the town may concurrently serve an administrative notice to abate a public nuisance upon the owner, occupant, and lien holder and demand that compliance must be achieved within 14 consecutive days, after service of the notice, not including the date of receipt or posting.

(B) The town shall determine the name and address of the person who is the individual, firm, or corporation and lien holder who, from the records in the County Tax Assessor's office or other public records, appears to be the titled owner or lien holder of the property and cause a written notice of public nuisance to be served on the individual, firm, or corporation and lien holder by:

(1) Personal service as attested to by affidavit of service;

(2) Copy mailed to the owner or lien holder at the place or address by United States certified mail return receipt requested; and/or

(3) After due diligence, if service is unable to be perfected as described in divisions (B)(1) and (B)(2) above, the town shall cause a copy of the aforesaid notice to be posted at the structure, location, or premises, which shall serve as notice to the public and the owner and lien holder.

(C) The notice to abate the nuisance shall inform the person of the specific nuisance with citation to this section, provide names, numbers, and addresses for contact with the town; inform them of their rights to appeal and that, upon the fifteenth day after receipt of service or posting, the town may abate the condition and assess an administrative fee and all costs of abating the condition as a lien against the property.

(Ord. 06-16, passed 11-13-2006)

§ 90.07 APPEAL PROCEDURES; HEARING.

(A) *Appeal of finding of nuisance.*

(1) Where the town proceeds under § 90.06, the responsible person, owner, or occupant, or the lien holder of the property, may make a written demand to the Town Administrator for a hearing before Town Council on the question of whether a public nuisance in fact exists. This appeal stays the public abatement until such time as the matter is heard and decided by the Town Council. The appeal must be received by the Town Administrator within five business days of the posting or appellant's receipt of the notice to abate, excluding town-recognized holidays and weekends. The written demand shall include a contact number, either phone or facsimile, in order for the person to be informed of the hearing location, date, and time. It shall not be a defense to the determination that a public nuisance exists that the property is boarded up or otherwise enclosed. The Town Council, after the hearing, may amend or modify the notice to abate the public nuisance, or when appropriate under the facts presented, extend the time for compliance by the owner to the date as the majority of the Town Council may determine. The decisions shall be delivered orally to the appellant on the date of the hearing, and then, if requested, written and mailed to the address provided. Decisions of the Town Council are final unless appealed to the Court of Common Pleas within ten days of the decision of the Town Council.

(2) Failure to timely appeal constitutes a waiver of the right to appeal the existence of a public nuisance.

(B) *Appeal of assessment.*

(1) In those instances where the nuisance has been abated by the town after the required notice of § 90.06 or after appeal hearing before the Town Council, the owner or occupant or lien holder of the property who has been served with a notice of assessment pursuant to § 90.08 may make a written demand to the Town Administrator for a hearing to review the cost of the abatement. This appeal stays the attachment of the lien until the time as the matter is heard and decided by the Town Council. The appeal of the assessment must be received by the Town Administrator within five business days of the posting or the appellant's receipt of the notice of assessment, excluding town-recognized holidays and weekends. The written demand shall include a contact number, either phone or facsimile, in order for the person to be informed of the hearing location, date, and time. In an appeal of the assessment of costs, no testimony shall be permitted on the issue of the existence of the public nuisance. The decisions of the Town Council shall be delivered orally to the appellant on the date of the hearing, and then, if a requested, written and mailed to the address provided. Decisions of the Town Council are final unless appealed to the Court of Common Pleas within ten days of the decision of the Town Council.

(2) Failure to timely appeal constitutes a waiver of the right to appeal the assessment of costs.

(C) *Notice of the hearing.* By way of the contact numbers provided in the written demand, the Town Administrator shall orally advise the owner, occupant, and lien holder of the location, date, and time of the hearing provided for hereunder. Notice of the hearing must be provided at least five business days prior to the hearing, excluding town-recognized holidays and weekends.

(D) *Time and manner of hearings.* The hearings as allowed under this section shall be held as soon as practical.

(1) The hearing as to the existence of a public nuisance shall not be conducted under the strict rules of evidence. The hearing shall be informally conducted by the Town Administrator or his or her designee. The enforcement officer shall present the facts and circumstances that resulted in a conclusion that a public nuisance existed. The owner, occupant, or lien holder, or their agents, representatives, or attorneys, shall be given the opportunity to present evidence to the Town Council in the course of the hearing, and shall have the right of cross examination of the enforcement officer and other witnesses.

(2) When the nuisance has been abated by the town and the person has appealed the assessment of the administrative fee and actual costs, the hearing shall be conducted in the same manner as division (D)(1) above. The Town Council shall have discretion to waive the administrative fee or the public cost of abating a nuisance, in whole or in part, if, in the course of the hearing reviewing the decision, the Town Council finds that justice and equity require the waiver.

(Ord. 06-16, passed 11-13-2006)

§ 90.08 LIABILITY FOR COSTS.

In the event of refusal or neglect of a person to cause the nuisance to be abated in the manner and within the time provided herein, it shall be reported to the Town Administrator. The Town Administrator may, in a reasonable and prudent manner, direct the expenditure of public resources to abate the nuisance condition. The cost of abatement shall include an administrative assessment of \$250, in addition to the actual cost expended in public abatement of the nuisance. The persons who are the owners, occupants, and lien holders of the real property on which the nuisance is abated shall be served with a notice of assessment following completion of the abatement. The notice of assessment shall include the administrative fee and a statement of public cost, attested to by affidavit, and shall be issued and served, as provided for in § 90.06(B), and shall require that payment be made within 30 days of the date of service. Upon the expiration of the 30-day period or in the event of appeal, upon expiration of 30 days following the decision of the Town Council, if the amount of the assessment has not been paid in full, the Town Administrator may cause a lien in that amount to be filed with the County Clerk of Court and with the Treasurer of the town. The lien shall be filed of record in the office of the York County Clerk of Court, until paid or recovered, or otherwise released. The lien shall be collectible in the same manner as municipal taxes.
