BUDGET PUBLIC HEARING

The Clover Town Council will hold a Public Hearing on Ordinance 12-02, adopting the proposed FY 2012-2013 Budget. The Hearing will be on Monday, June 11, 2012, at 6:30 PM at the Clover Community Center, 120 Bethel Street.

The budget does anticipate a property tax increase. Council is considering an increase in the property tax millage for operations. A capital millage is also under consideration for New Centre Park and acquisition and conversion of the vacant bank building into a new Town Hall. A water/sewer rate increase is not planned at this time but would have to be considered if the City of Gastonia increases rates.

ONE YEAR AGO....

Many Clover residents found themselves victim to terrible storms that hit the area. A big thanks goes out to neighbors who helped neighbors, contractors who have worked hard to rebuild and town employees who worked long hours to get our town back on its feet. Let's all continue to hope and pray that the storms pass by us this year!

SHELTER RENTAL

The Clover Community Park and Roosevelt Park Shelters are available for birthday parties, picnics, family dinners, etc. For more information, please contact the Clover Recreation Department at 222-9493 or visit clovers.org.

SCOOP THE POOP

The weather is great and many of you are getting outside with your pets. Part of the responsibility of being a pet owner is taking care of the poop your dog or cat leaves behind. When walking Fido, do not allow him to relieve himself in your neighbor's yard or in any public place. If an accident happens, make sure to scoop the poop. It's the sanitary and neighborly thing to do.
