LATE NOTICES

Effective January 1, 2014, the **Town of Clover will no longer be sending late notices** to customers who have failed to pay their water/sewer bill by the due date. Water bills are due by the 15th of each month. A 10% late fee will be applied after the 15th. Failure to make a payment agreement by the 20th or failure to pay by 9AM on the 21st of each month will result in a \$30 administrative fee applied to the account even if the water has not physically been turned off.

The billing statement customers receive at the beginning of each month will serve as the only notice of the amount due. Customers have a variety of ways to remit payment including the drop box at Town Hall, on-line bill pay, and bank draft. For more information, call Town Hall at 222-9495 or visit www.cloversc.org.

NEW TOWN HALL PROGRESS REPORT

The Clover Town Council decided to renovate the new Town Hall, 116 Bethel Street, as the General Contractor. By doing so, the Town expects to save substantially on the project. Renovations will include roof and window replacements, exterior trim repair and repainting, and complete renovation of the interior. Following the work, the drive thru window will be available to customers. Improvements are expected to begin in February. The Town looks forward to seeing these improvements over the next few months and moving into the new Town Hall.

ZONING ORDINANCE UPDATE

Over the last few months, Town staff and the Planning Commission have been working with a consultant to update the Town's zoning and land development regulations. The changes are expected to address many of the goals set out in the Town's Comprehensive Plan 2022 (available online at www.cloversc.org). A public hearing will held to obtain input once the Planning Commission has approved a final version to present to Council. The final draft will also be posted to the Town's website. Town Council will approve all changes to this ordinance. Contact Allison Harvey at 222-9495 or aharvey@cloversc.org if you have any questions.
