

## WELCOME TO THE TOWN OF CLOVER

WATER/SEWER

Water/sewer bills are due by the **15<sup>th</sup> of every month**. A 10% penalty is added to all bills not paid by the due date. Failure to receive a bill does not excuse late payment or service disconnection. If the bill is not paid **by the 20<sup>th</sup> of the month, the service will be disconnected and a \$30 administrative fee will be added to the customer's bill**. The account must be paid in full before service can be reconnected. Only the Town can re-establish service; customers who tamper with the water meter will be assessed an additional \$50.00 penalty which will be due before reconnection. In all cases of payment of accounts that have been disconnected for non-payment, water service will only be reconnected during the Town's normal operating hours, Monday-Friday, 8am - 5pm.

Cash, check, money orders and credit cards are acceptable payment methods. Access **online bill pay** at [www.cloversc.org](http://www.cloversc.org). Payments after normal work hours can be made at the **drop box** located at Town Hall, 116 Bethel Street. Do not put cash in the drop box.

**Automatic Bank Draft** is also available. The application form is available at Town Hall or download at [www.cloversc.org](http://www.cloversc.org).
