## CLOVER CELEBRATES *125th Anniversary*

At one time, Clover was a little station on the Chester and Lenoir Narrow-Gauge Railroad that provided water to the trains passing through. But, by faith and fortitude, the Town's population and economy grew. Clover was officially incorporated on December 24, 1887. Clover has continued to grow and prosper and now, 125 years after incorporation, is celebrating its Quasquicentennial Anniversary. Visit [www.cloversc.org](http://www.cloversc.org) for more information about the Town's anniversary. The next two activities are:
