January 14, 2013

February 11, 2013

For more information, please contact Shannon Nix at 222-9495.

CLOVER COMMUNITY EDUCATION SERIES: PROTECTING YOUR IDENTITY

In this FREE training session on Thursday, January 24, you will learn how to protect your identity. Topics will include learning how to prevent, detect and report identity theft and staying safe in an online world. You will also get an update on the recent SC Department of Revenue data breach and learn what actions are being taken to protect you. Mary Stewart, Vice President and Deposit Services Manager with Clover Community Bank, will lead this one-hour session. Start time is 6:00 pm at the Clover Community Center, 120 Bethel Street. Please call Jessica Cody at 803-222-9493 for more information.

CONNECT OUR FUTURE

A public meeting will be held on January 31, 2013, from 4 to 7pm, at the Clover Community Center, 120 Bethel Street. The purpose of this meeting is to get input on the need, the process, what you value about your community and the challenges your community faces. Your input will be used to develop a Regional Growth Framework to promote growing jobs and the economy, controlling cost of government and improving quality of life. The Catawba Regional Council of Governments will be conducting the meeting. For more information, visit www.connectourfuture.org or call Wendy Bell at 803-327-9041 or wbell@catawbacog.org.

NOTICE OF PUBLIC HEARING – NEEDS ASSESSMENT

On Monday, February 11, 2013, the Town of Clover will hold a Needs Assessment Public Hearing. The meeting will be held at 6:00 p.m. at the Clover Community Center, 120 Bethel Street. The purpose of the meeting is to solicit public input on community needs, including water and sewer, housing, public facilities, workforce and economic development. This meeting will give citizens an opportunity to ask questions about planned projects and to identify the additional needs of the Town of Clover. If you have any questions concerning this public hearing, please call Clover Town Hall at 803-222-9495.

FALL LEAF REMOVAL CONTINUES

Now that we all know how far behind staff gets without the leaf machine, please observe the following rules:

- Leaf piles should not have sticks or any other debris mixed in. These items can lodge in the tubing of the leaf machine causing tears and clogging which will damage the machine. These items should be removed while raking or blowing your leaves into the pile.
- When placing your leaves on the curb, do not pile them in the guttering of the street where rain water flows down the side of the road.

STAY SAFE DURING COLD WEATHER

- Residents who are not used to cold weather, don't go outside unless necessary. If you do, wear layers of clothing.
- Fill up your car with fuel and check the antifreeze.
- Be sure to wrap exposed pipes. Freezing temperatures can cause water pipes to burst in homes that lack heat or proper insulation. Winterize your irrigation lines too.
- Individuals who believe that they may need special assistance during an emergency due to a medical condition, disability, etc., are encouraged to register their contact information with the Police Department.
- Power outage? Call your provider.

York Electric Cooperative – Call 1-866-374-1234

Duke Energy – 1-800-POWERON (1-800-769-3766)
