KEEP STORM DRAINS CLEAN

Your help is needed to prevent flooding! Keep the Town's storm drains clear of all debris so as to prevent unnecessary flooding and contamination of our ponds and streams. **At no time should debris of any kind be placed in the flow line of the curb or on the street or in any ditches or drainage ways.** Grass clippings, other yard debris and garbage should be placed well behind the curb and never in any area that could restrict water flow. Town Ordinance prohibits obstruction of any storm drains or ditches; fines may be applied on those violating this ordinance. We ask for your cooperation by doing your part to keep our storm drains as clean as possible.
