WINTER STORM PAX

Water line breaks and earthquakes? 70 degree temperatures and record snow fall within 7 days time? What is going on here? The snow slowed us down but thanks to the hard work of our staff and to the cooperation of our citizens, we were able to get back to normal business pretty quickly. Hope you enjoyed your snow days!

YORK COUNTY GREAT AMERICAN CLEANUP

The Great American Cleanup is the nation's largest annual community improvement program that harnesses the power of over 4 million volunteers to build vibrant communities.

Keep York County Beautiful is asking citizens to help clean their yards adjacent to York County roadways and have pride in the county through the "NOT IN MY YARD!" campaign. Citizens may also choose to pick up litter along other York County roads.

The Town of Clover has bags, gloves, vests and pickup tools that are available for use on a first come, first serve basis. You, your family, and all religious and civic organizations are invited to help improve our community through litter collection.

For more information about the County program, call 803-628-3181 or visit www.yorkcountygov.com/recycle. Or call 222-9495 to reserve your litter collection supplies.
