OPERATION

MEDICINE DROP

For many youth, the first stop on the road to addiction is the medicine cabinets of family and friends. Help get unused pills out of your cabinet and in the hands of people who can dispose of them in an environmentally safe way. Drop off your old, unused pills and other medications at the Clover Police Department, 112 Bethel Street; York County Sheriff's Office, or at any other police department in York County at any time. Donations can be made anonymously.

COLD WEATHER SAFETY TIPS

- Resident's who are not used to cold weather, don't go outside unless necessary. If you do go out, wear layers of clothing.
- Fill up your car with fuel and check the antifreeze.
- Be sure to wrap exposed pipes. Freezing temperatures can cause water pipes to burst in homes that lack heat or proper insulation.
- To prevent water from freezing during really cold weather, open kitchen and bathroom cabinets to let warm air reach pipes and/or let a faucet drip.
