501 Memorial Drive

Clover, SC 29710

All players must register prior to tryouts.

All players must register in their correct age group.

Clover Elite is a club soccer program created by Clover Parks and Recreation Department (CPRD) aiming to provide the soccer community a competitive environment allowing each participant to achieve his/her goals through the world's biggest sport. The program is managed by CPRD to ensure the Clover soccer community is receiving the best viable option for a high level of competition outside of the recreational leagues.

Clover Elite will aim to create at least one team per age group and gender each season. Each team shall be selected through a tryout process in May for Fall and Spring seasons. Teams are selected based on the Clover Elite Coaches. Tryouts will only be held in May unless a team needs to refill the roster between fall and spring season.

Clover Elite offers a "per-season" registration fee. The registration fee is paid prior to each season (fall and spring) to allow families to decide if club soccer is truly what they are looking for. This allows families to back out before the spring season and not be punished financially for this decision. Team fees will be managed by teams independently of Clover Elite. Registration Fee: \$300/per season (11v11 Teams); \$250/per season (9v9/7v7 Teams).

Clover Elite aims to practice 3 times per week (weather permitting) with the length of practice dependent upon the age group. Games and tournaments are normally held on Saturdays and Sundays in surrounding areas of North and South Carolina.

Clover Elite Soccer is an athletic program of Clover Parks and Recreation; therefore, in order to best serve the Clover community, teams must have at least 75% of the approved roster residing within Clover School District boundaries.
